

# START OF YEAR INFORMATION

## SCHOOL FUND

At this time of year we ask families for a voluntary contribution to school.

The contribution this year will be £15.00 per family. Please make your contribution via ParentPay by **Friday 6<sup>th</sup> October, 2017**.

If you would prefer to pay at a local PayPoint store, please contact the school office who will make arrangements to issue you with a barcoded letter.

## FIRST AID

Mrs Hill, our lead first aider, looks after students when they are hurt or unwell. She works between 9.30 am and 3.00 pm. Mrs Hill is supported by a team of trained First Aid staff.

We still need, however, your consent to allow us to act genuinely in 'loco parentis' and administer first aid for what we believe to be minor ailments.

The only medicines that can be brought into school by students should be prescribed medicines or inhalers from your doctor. In this case, we would ask that the tablets or medicine be given into reception by parents the safekeeping of Mrs Hill. Parents will be required to fill out a form stating the required dosage of the medication. The medication must also carry the pharmacy label and the dosage instructions. Students should carry their inhalers with them.

If your child becomes ill during the school day, they should in the first instance go to Mrs Hill in the First Aid room, who will, if necessary, contact parents to arrange for them to be collected. Students should not contact their parents directly.

## PARKING OUTSIDE SCHOOL

Please show consideration for others when dropping off or collecting your children from school. Please avoid parking on the hazard warning signs and directly opposite them as this causes congestion. Parents should not come onto the car park to collect or drop students off, unless your son/daughter has reduced mobility or this has been agreed due to special circumstances. These students will be issued with a student car park pass.

If you do need to come on to the car park, please park in an identified bay.

## TRIPS, VISITS AND CHARGE

In general terms there are three types of situation you need to be clear about:

- **Trips out of School Time**

eg holidays abroad. When these are offered the appropriate cost of the holiday will be passed on to you.

- **Curriculum Trips/Enrichment Activities**

As always, we will be continuing to offer trips/activities during school time in order to enhance the curriculum. They are not an essential part of the curriculum but a way in which your child's knowledge and experience can be enriched.

Accordingly, when such trips/activities are offered, full details will be sent to you and you will be invited to make a voluntary contribution to the cost of the trip. As the law now forbids any child to be refused permission to go on such a trip, even if parents do not contribute, it follows that unless everyone contributes, the trip may not go ahead.

It is our usual custom for all full day or longer trips to get parental consent on every occasion and this will continue. However, there are activities eg sporting events/fixtures, local visits etc. which will take your child off school premises for short periods of time during the school day or immediately after school. Students may walk, go in a minibus or coach, or go by public transport. There may also be occasions when your child may be taken by staff in his/her car to sporting fixtures, home or other activities. We hope, therefore, you will feel able to give general consent to such activities taking place without requiring further written information on every occasion.

- **Materials for Lessons**

When your child is asked to bring in materials for Design Technology (and occasionally other lessons), it is on the clear understanding that it is a voluntary contribution on your part and that you own the finished product.

In all cases, if you are in receipt of benefits, or for other reasons wish to discuss the matter please do not hesitate to contact Mrs Belcher (Director of Operations and Business).

(This is an extract from our Charging and Remissions Policy - full copy available on the website)

## MOBILE PHONES

We appreciate that many parents like their children to have a mobile phone with them for safety reasons. However, please note:

- All phones must be silenced during registration and lesson times. If a teacher sees or hears a mobile phone at these times, it will be confiscated until the end of the day. If a phone is confiscated on three occasions, the phone will need to be collected by parents following any further confiscation.
- The school cannot take responsibility for lost or stolen phones. If a phone is stolen, parents will need to contact police as well as school.

## LUNCHTIME MEAL ARRANGEMENTS

Summerhill uses a 'cashless' school meal system provided by Cunninghams. Students are reminded that their accounts must be kept in credit which can be done either by paying using ParentPay or bringing cash into school or by cheque. Cheques should be sent into school to the café and made payable to 'Chartwells'

Students are advised to only use coins in the machines not bank notes as notes that have been in a child's pocket for a few hours often aren't accepted by the cash re-credit machine.

Most students remain in school during lunchtime. If you wish your child to go home for lunch, please send a note to the House tutor. Students will only be permitted to return to their home address. Going into the village or elsewhere off school premises is not an option.

## COMPLAINTS PROCEDURE

If you are unhappy about any aspect of school, please discuss the concern with your child's Head of House in the first instance. Our formal complaints procedure can be found on the school website.

Timings of the School Day	
Registration	8.55 am
Period 1	9.20 am
Period 2	10.10 am
Break	11.00 am
Period 3	11.20 am
Period 4	12.10 am
Lunch	1.00 pm
Period 5	1.50 pm
Period 6	2.40 pm
End of School Day	3.30 pm

## VANDALISM

The majority of students at Summerhill are respectful of school equipment and systems but occasionally we do experience deliberate acts of vandalism. Where such acts occur and a student is identified as being responsible, parents will be asked to contribute to the cost of repair or replacement as appropriate. There will also be a consequence in line with the school's Consistency Framework.

## PHOTOS AND DIGITAL FILM

We use photos or digital film in school for a number of reasons. The main purpose is to celebrate the success of students - the photos are used on display boards, the plasma screens and on the website. Examples include photos of sports teams, members of the cast of school productions and senior students.

We may also use film as a learning tool. For example, taking film of a student throwing a javelin and then playing it back so that the teacher, the student and the class can analyse technique. Other examples of film used in school include role plays in Modern Foreign Language lessons, acting out scenes in Drama or giving a weather forecast in Geography. In most cases the film is only used within school, but there may be cases where we wish to share good practice with other schools or use materials for public displays.

Please note that your child's identification will not be disclosed unless the photo is used to celebrate individual success. We will always take great care to show photos only if we deem the location appropriate.

We would therefore like to ask for your general consent to using material, including photos, in the following ways:

- Summerhill School website/Firefly Learning Environment: This will include the prospectus and curriculum documents. These show school visits, trips and enrichment activities, student success/celebration eg celebration assemblies and extra curricular activities etc.
- Displays within the school
- External exhibitions
- Press articles

Students' photos are also used on our Management Information System which is only accessed by staff. They are also used for emergency medical notices when required.

If you need clarification or are concerned about the use of images of your child, please contact Mrs Sprouting or your child's Head of House.

# EXAM RESULTS 2017

**Summerhill School students are again celebrating many successes, with students achieving a whole range of top grades at GCSE.**

In both English and Maths, 87% of students achieved a good pass and 75% of students achieved a good pass in at least 5 subjects; amongst the best results in Dudley.

In addition to the significant overall improvements, there were some notable individual success stories including the following, with some students achieving the new and rare Gold Standard Grade 9 in English Language and Literature or Maths:

Individual outstanding results include:

- James Hill : 10 A\*, 1 A (Two grade 9, one grade 8)
- Morgan Dalloway : 9 A\*, 1A (Two grade 9)
- Lauren Millward : 6A\*, 4A (Two grade 9, one grade 8)
- Callum White : 3A\*, 7A (One grade 9, one grade 8)
- Matthew Parry : 10 A\*, 1A (Three grade 8)
- Max Bradley : 3A\*, 6A (One grade 8)
- Joe Banga : 3A\* 6A (Two grade 9)
- Ben Clouds : 3A\* 6A (One grade 9, one grade 8)

# PRIVACY NOTICE

## Data Protection Act 1998 : How we use your information

We, Summerhill School are the data controller for the purposes of the Data Protection Act.

We collect and hold personal information relating to our students and may also receive information about them from their previous school, local authority and/or the Department for Education (DfE). We use this personal data to:

- support our students' learning
- monitor and report on their progress
- provide appropriate pastoral care; and
- assess the quality of our services

This information will include their contact details, national curriculum assessment results, attendance information, any exclusion information, where they go after they leave us and personal characteristics such as their ethnic group, any special educational needs they may have as well as relevant medical information. For students enrolling for post 14 qualifications, the Learning Records Service will give us the unique learner number (ULN) and may also give us details about your learning or qualifications.

Where your child has a care plan that has been set up in partnership with Health Services and the school, this may be shared with staff within the school environment to ensure that it is adhered to correctly. It may be held on the Schools computer systems.

As a local authority, we are committed to protecting and safeguarding children and young people in the Borough. The Multi-Agency Safeguarding Hub (MASH) is a co-located arrangement of agencies integrated into a multi-agency team.

The Single Point of Access Team (SPA), which is the single point of contact for safeguarding concerns, and the MASH share information appropriately and securely on children or young people in order to take timely and appropriate actions. The teams also provide information and advice across a range of child and family services.

Where your child has been involved in an accident, an Accident/Incident Report Form will be completed which will include details of the accident including information about them. This information will be passed to the Corporate Health and Safety Team at Dudley MBC. This information will be accessed by Dudley MBC employees, who legally require access to this data, for purposes related to this incident, and may be shared with others to allow us to comply with our statutory duties'.

Once our students reach the age of 13, the law requires us to pass on certain information to the Connexions Service who have responsibilities in relation to the education or training of 13-19 year olds. We may also share certain personal data relating to children aged 16 and over with post-16 education and training providers in order to secure appropriate services for them. A parent/guardian can request that only their child's name, address and date of birth be passed to the Connexions Service by informing Mrs Jill Belcher, Director of Business and Operations.. This right is transferred to the child once he/she reaches the age 16. For more information about services for young people, please go to our local authority website <http://www.dudley.gov.uk/kids/>

For more information about young people's services, please go to the National Careers Service page at <https://nationalcareersservice.direct.gov.uk/aboutus/Pages/default.aspx>

It is strongly recommended that students and their parents do not opt out of the information being shared with Youth Support Services as this information is used to identify young people within Dudley schools who will need support from the Connexions service to move to a positive destination after leaving school and therefore complies with the Raising of the Participation Age.

**We will not give information about your child to anyone without your consent unless the law and our policies allow us to.**

If you want to receive a copy of the information about your son/daughter that we hold, please contact Mrs Jill Belcher, Director of Operations and Business.

If you are unable to access this website a copy of this information can be sent to you

We are required, by law, to pass certain information about our students to our local authority (LA) and the Department for Education (DfE).

DfE may also share student level personal data that we supply to them, with third parties. This will only take place where legislation allows it to do so and it is in compliance with the Data Protection Act 1998.

Decisions on whether DfE releases this personal data to third parties are subject to a robust approval process and are based on a detailed assessment of who is requesting the data, the purpose for which it is required, the level and sensitivity of data requested and the arrangements in place to store and handle the data. To be granted access to student level data, requestors must comply with strict terms and conditions covering the confidentiality and handling of data, security arrangements and retention and use of the data.

For more information on how this sharing process works, please visit:

<https://www.gov.uk/guidance/national-student-database-apply-for-a-data-extract>

For information on which third party organisations (and for which project) student level data has been provided to, please visit:
