

# SUMMERHILL SCHOOL

Wednesday 28<sup>th</sup> January 2026

Dear Parent/Carers,

## **Consultation Evening Parents/Carers**

I hope this letter finds you well.

Following on from the MAT consultation letter shared last week, we will be holding a parent/carers consultation evening on Wednesday 11<sup>th</sup> February at 5:30pm.

The evening will consist of a short presentation from Mr Harris, Headteacher, and Stour Vale Academy Trust. This will be followed by an opportunity for questions with staff and Governors present at the evening.

To ensure we know numbers so we can set up the venue, could you please book via the link below if you intend to join us:

<https://tinyurl.com/summerhillmat>

Some questions have come in from the consultation period. We have collated some of the questions that have been asked more than once and put them in a FAQs document that can be found on the school website:

<https://www.summerhill.dudley.sch.uk/Page/Detail/mat-consultation>

Finally, I would just like to thank you all for your continued support. I genuinely love Summerhill School and our community. The projected move to join Stour Vale Academy Trust will not change our identity and culture that we have worked so hard to establish over the years. We would remain a true community school, and the partnership would protect what we have and support us to become the best that we can be for our students, staff and families.

Kind Regards

Tim Harris  
Headteacher
