About Thomas Telford UTC

This state-of-the-art school aims to create the innovators, designers, architects and construction professionals and technical fields.

Thomas Telford UTC has been established to provide the young people of Wolverhampton and the surrounding areas a unique combination of excellence academic achievement and first-class preparation for their future.

About City of Wolverhampton Council Building Control

The Building Control team work with developers to offer advice, guidance and perform a role as regulators ensuring that new developments comply fully with all of the legal requirements of the Building Regulations. This work is wide ranging meaning a Building Control Officer is involved with all aspects of construction from structural design through to fire safety. As part of the Building Control Team you will be involved in the undertaking of site visits and plan checking to ensure compliance and certify ongoing construction work.

The Role

You will undertake study with Thomas Telford UTC in September 2021 as a full-time student. During your 2-year course, you will undertake 350 hours of meaningful placement with the Building Control Team, based in Wolverhampton. During your placement you will be expected to shadow, contribute and otherwise be a full member of the team. Your experience will include meetings with developers, reviewing applications against national regulations, providing advice and guidance, Stakeholder Engagement, Visiting Sites and more - this is your chance to impress!

Industry Placement roles are not paid roles and you will need to be able to travel to central Wolverhampton.

How to Apply

You need to achieve Grade 4+ in English and Maths as well as 5 good GCSEs*

Complete the application form on our website (link above). We will contact applicants for a short interview before offering places.

There is no deadline – these spaces will be offered to the first successful applicants! You need to be organised.

**For students who do not achieve the required entry requirements, we will offer a T-Level Transition year to give the chance of continuing over 3 years or our alternative range of qualifications.*
