Closing date: 24 Apr 2021

Traineeship details

Chase Garage doors are a family run business that have been established for over 30 years. With an excellent reputation within the garage door industry. They have a customer radius of around 50 miles of their unit based in Cannock. Chase Garage Doors pride themselves on providing quality branded named garage doors at an affordable cost and have recently started a new side of the business selling and installing composite doors along with offering a service and maintenance agreement to their past customers.

You will be travelling in their provided vans to jobs.

The learning opportunity at Chase Garage Doors will include:

- Installing new garage doors
- Repair faults on existing doors
- Installing Composite Doors
- Check door stock
- Manage paperwork signoff sheets and invoices of receipt of install and return back to

We are looking for a social individual who is confident in conversing with people of all ages. You must be reliable, dedicated and trustworthy. You must also have a 'can do' approach to the job at hand. Common sense, great time keeping and eagerness to learn new skills. We are looking for someone who takes pride in their work with good attention to detail. If you have experience with working with small tools this is an advantage.

This Traineeship work experience is part of an education and training programme that is focused on giving young people the skills and experience that employers are looking for. At its core is the Work Preparation training, English and maths for those who need it, and a high quality work experience placement.

Traineeships help unlock your great potential and give you the work preparation training, maths, English, Digital Skills and work experience needed to get an Apprenticeship or other job.

Training to be provided

This Traineeship opportunity includes work preparation training, Functional Skills maths and English support for those who require it and a high quality work experience placement.

For young people who are almost ready for work but have little or no work experience in their chosen area of occupational interest.

The Traineeship programme will give you the opportunity to gain technical skills that will enable you to positively progress.

It will also give you the opportunity to benefit from additional support to achieve maths and English Functional Skills.
