

About us

Improving people's lives is part of our DNA. Since 1983, we've pioneered the era of the high-performance wheelchair, challenged conventions and led innovation. Today, Sunrise Medical is one of the most globally well-known and recognisable industry leaders in the design, manufacture and distribution of mobility products. We manufacture products in our own facilities in the United Kingdom, Mexico, Germany, United States, Spain, Netherlands, Poland, Norway, Australia and China. Our key products are sold through a network of homecare medical product dealers or distributors in over 130 countries. The company employs 2,200 associates worldwide.

Sunrise UK are looking for hardworking and ambitious individuals who want to join our apprentice programme. You will be placed in our organisation where no day is ever the same, and you'll get stuck in from the offset with full training, which will enable you to be a vital member of our Sunrise team. Your work also will allow you to obtain qualifications, so you earn whilst you learn!

Are you ready for an exciting opportunity to help kick-start your career?
