

TIME TO EARN REAL MONEY

TIME TO GET A CAREER

MAKE THIS YOUR MOMENT

WHAT WE DO

We have apprenticeship opportunities for young people aged 16-24.

We specialise in linking you with employers across the West Midlands.

We support you throughout your apprenticeship to achieve your goal of permanent employment.

Some of our most popular programmes include:

Engineering, Manufacturing,
Warehouse, Business Administration,
IT, Accountancy and much more.

WHAT YOU GET

At least £4.15 per hour, but on average our apprentices can earn up to £190 per week.

Being employed with the Agency has the security of a weekly income.

Get great benefits like holiday and sickness pay.

Get training on the job and gain an Apprenticeship with transferable skills.

Training will be done by one of our 'approved' training providers, ensuring you get the best learning experience available.
